A weekly update to Parents, Grandparents and Carers

## Message from Mrs. Paterson

The school has been buzzing with the sounds of the children enjoying their learning and we have been impressed by their enthusiasm and commitment to be the very best learners they can be.

We will shortly be sending home a copy of the information that we hold in school, including contact information for you and a request to update photograph permission forms; please return these as quickly as you can so that we have up to date information.

Teachers are trying to get to know parents; please feel free to say "hello" if you are able in the mornings, when you will find them in the playground. They will also note any planned changes to pick up arrangements for your child. We will also be updating the 'authorised collector' information in due course. At the end of the day, teachers are available and very happy to talk to you about how your child is settling in to the new school year.

In assembly, the children enjoyed learning of the weekend exploits of the intrepid group of walkers, the Cannon Crew, who walked 50km on the Thames Path Challenge to raise money for school projects. The generous donation of time, energy and impressive resilience was understood and hugely appreciated by children and staff. Thank you to Mrs Cannon, Charlotte, Mark Horseman, Andrea Williams, Mark Williams, Melanie Parker and Lynda Dix who raised an astonishing £3000 for the benefit of children in our school, bringing the total raised through Launton Active and walking challenges, to over £6000. The first part of the field project began over the summer with the installation of a section of the fence to keep the children safe.

All are welcome to the PTA meetings that will be held on 26<sup>th</sup> September to plan the autumn term activities. The meetings are 2.15pm and 7.30pm in the school hall. I am reliably informed by the children that they have been strategically collecting tokens from TESCO and posting them on our behalf so that we can benefit from the 'Bags for life' scheme; please join in if you are able: the cause with the greatest number of tokens will receive £4000.

## Dates for your diary

---

## Message for Rowan Class and Ash Class Parents

This term's topic for Year 2, Year 1 and Reception children is "Ourselves". Please would you help your child to find two photographs of themselves to bring to school on Monday? They should bring a baby photograph and a recent photograph.

## Updates and Reminders

Confirmed Term Dates 2018-2019
