Message from Mrs. Paterson

The year ended on such a lovely note with our Year 6 leavers having a pizza picnic in the garden: a new tradition, born in adverse circumstances and set to continue due to its universal popularity with the children.

The support, trust and flexibility shown over this year by parents and carers has enabled us to focus on what really matters: providing a safe and stimulating environment in which our pupils can thrive, and we are really looking forward to resuming this in September after a little rest... Thank you for all your kind good wishes and generous thanks this week: we have all been quite overwhelmed. I do agree with you that the staff have been an amazing team this year, yet again.

To help with forward planning, I am including information about start and finish times, and the After School Clubs that we plan to have from early September and I will write in late August when we have information from the Department for Education, the Local Authority and Public Health England to implement.

Bookings for clubs will open on return in September.
