

Launton C.E. Primary School

Dear Parents,

The class topics continue to engage the children and they are doing some magnificent work. We would like you to join us in celebrating this at an exhibition of children's work in the school hall on Thursday 19th October at 3.15pm.

AGM for Friends of Launton School on Wednesday 4th October at 8pm in the school hall. FOLS work extremely hard on behalf of all the children, by co-ordinating fund -raising events and organising a range of lovely activities. The committee is always keen to recruit new members, either to join the committee or help out on an occasional basis and the AGM is a great time to join. Additionally, at the AGM nominations will be taken for new committee posts and ballots held where needed. Please come and join the team or listen to plans for the forthcoming year and share your ideas and suggestions.

We have received some information about a free parents' maths course please see attached information.

We have received an invitation for all to attend the opening of the Whitelands Farm Sports Ground on Saturday 30th September 2017 between 11am-3pm. As you may know, the new facilities are on Kingsmere and are a great new resource for Bicester. On the day there will be lots of taster sessions for children under 11 including girls and boys football, family bootcamp, family fun run, archery, touch rugby, and youth activator games. All the sessions are free and a great chance to try out a new activity.
