Launton C of E School Newsletter

Message from Friends of Launton School

A reminder that fundraising meetings are on 26th September at 2.15 pm or 7.30 pm in the school hall. Please come along with your ideas.

A weekly update to Parents, Grandparents and Carers

Message from Mrs. Paterson

Following the Cannon Crew heroic walk on the 8th September, another parent is striding out for the children in October. Neil Greig, Eve's Daddy is running the Chicago marathon on 7th October.

Competitive tendering is underway for the next stage of the field project...

Rags 2 Riches 4 Schools will be making another collection on 10th October 2018. Please send in your good quality used clothes. Bags will be provided closer to the day.

The Christmas Fayre and tree lighting will take place on 30th November 2018. Further details will soon be provided.

We sent home a copy of the information that we hold in school, including contact information for you and a request to update photograph permission forms; please would you return these as soon as possible if you have not already done so.

All are warmly invited to the PTA meetings that will be held on 26th September to plan the autumn term activities. The meetings are 2.15pm and 7.30pm in the school hall and you are welcome to attend either or both sessions. Thank you to everyone who has been collecting tokens from TESCO and posting them on our behalf so that we can benefit from the 'Bags for life' scheme; please join in if you are able: the cause with the greatest number of tokens will receive £4000.

Breakfast Club and Afterschool Care continue to increase in popularity and this means that some sessions are reaching capacity. If you have booked a session and no longer need it, please cancel it so that you are not charged, and so that we can offer it to another child.

And on an important safety note, we have reminded the children that ball games are not permitted before school begins each morning.
