Message from Mrs. Paterson

The Key Stage 1 children were in fine voice this week singing at the music festival organised by the County Music Service and acted as exemplary ambassadors for our school.

We are delighted to be welcoming Miss Natalie Robb to our team: she will join us in September to teach in Key Stage 2 and will be a regular visitor during June and July.

Close neighbours may have heard other visitors to school this week: PCSOs Bailey and Beaumont left their bicycles behind in order to bring the police van into the playground for Beech Class to inspect, an event much enjoyed by all involved. They will return to school from time to time over the coming weeks and months to assess the impact of the project they completed with the children to increase safety in relation to parking, drop off and collection.

Headlice

It has been reported to us that some children have been treated by their parents for Head Lice, it is advisable for you to carefully check your child's hair and that of other members of your family and treat if necessary. We can only rely on asking parent to co-operate with us when we have a reported incident.

Please remember to use Scopay to make your contribution towards the cost of the coach.

Breakfast and Afterschool Care Booking Guidelines

Please remember that ball games are not permitted in the playground before 8.50am.

Please be aware that we have children in school with serious food allergies. To ensure the safety of all of our children please avoid sending your child to school with anything that contains nuts. We have recently been reminded of the advice for parents to cut grapes in half for small children, due to the risk posed by choking.
