

LAUNTON SCHOOL CHILDREN NEED YOUR HELP

Calor Gas Grant application voting

We are planning to transform the school playing field by installing a path and trim trail, so that generations of Launton School children have sufficient space to play & exercise all year round.

We have applied for a £5,000 grant for which we need public votes.

Please help us by registering for an account and then voting.

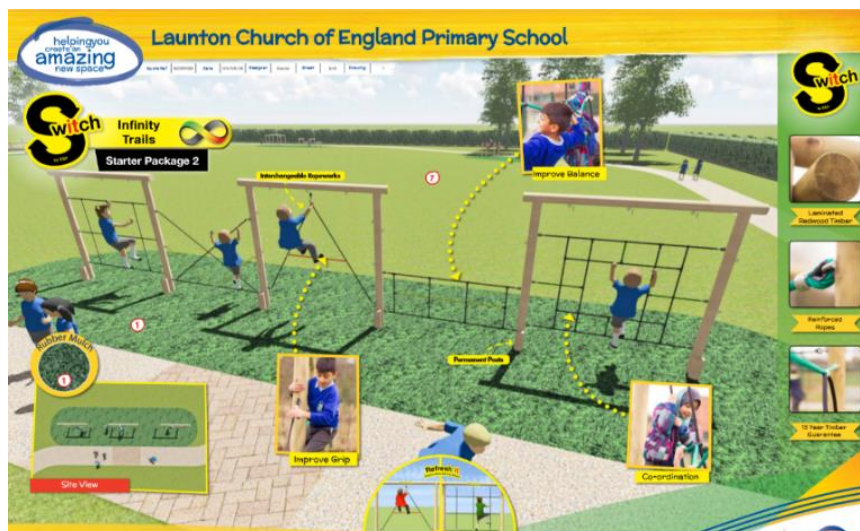

After registration, you will be sent an activation email. Once you have activated your account from your email, log in, click the vote icon, search for "Launton" within the project list and then you can use all 10 votes for Launton School Field Transformation project (takes less than 5 minutes)

Type in this link to go to the registration page to create an account...
