Launton C of E School Newsletter

14th March 2024 | Issue 223

Children across the school showed creativity, ingenuity and their deep love of reading on World Book Day. Here are some of their favourites from the exhibition.

Children in Ash and Rowan Classes have been out and about in the village, visiting St Mary's Church, being detectives looking for things they have been learning about in RE lessons.

Children in Willow, Oak, Beech and Chestnut Classes had cricket coaching sessions with a professional coach, and the Year 6 football team has again been in action.

On Monday the school football team headed over to Marsh Gibbon for their penultimate league match. The players worked well as a team, ensuring everyone was included and valued. They showed off their fantastic football skills, "The team did not give up, even when we conceded a goal," said Austin. "We continued to score again which kept us motivated," said Dominic, which resulted in an 8-3 win for Launton! Well done everyone involved, we look forward to our final match

against Langford village next week. Match report from Mrs Heath.

The NHS has published the following guidance for parents and carers about measles.

Oxfordshire Fire and Rescue Service `road Safety Team have asked us to signpost you to their guide <u>Walking with Children 365 Alive.</u> The <u>Footsteps</u> programme is simple to use as it can be carried out in normal everyday situations such as walking to school or to the local shops.

Remember: Please be aware that we have children in school with **serious food allergies**. To ensure the safety of all of our children please avoid sending your child to school with anything that contains nuts this includes sandwiches containing peanut butter or chocolate spread.

As parents and carers, there are ways we can support our children to give them the best chance to stay mentally healthy. Encouraging and guiding a child to think about their own mental health and wellbeing are vital skills you can teach them from a young age. <u>Children's mental health - Every mind matters</u>
