

Launton C.E. Primary School

Dear Parents,

The new term has begun well with children returning to school refreshed and excited about their learning. Ash, Rowan and Beech Classes are very intrigued by their Explorers theme. I have heard rumours of scheduled volcanic activity in Oak, Willow and Chestnut Classes and to this end, if you are able to send in old newspapers, that would help enormously with the papier mâché construction work that needs to take place first.

The switch to the new website has taken place and parents and carers who have logged in to the app using the information sent just before the holiday, can read newsletters using the app, and we will be able to send messages to you directly.

Children will have new star charts in their reading diaries this week to celebrate the reading they are completing at home. The library is open every morning and afternoon for bookworms to change books and enjoy every opportunity for reading.

The traffic continues to be problematic. Please park considerately, particularly with respect to our neighbours being able to access their driveways safely.

Reminder: if you wish your child to attend Breakfast Club or Afterschool Care, you should book this online through Tucasi twenty-four hours in advance; we staff the session and cater according to numbers of children booked in. If you have an unforeseen need for a place, please telephone the school office.

Best wishes,

Jane Paterson and the staff team
