A weekly update to Parents, Grandparents and Carers,

## Message from Mrs. Paterson and the staff team

How nice to hear the sound of all of the children in school again! This morning the children have shown how adaptable and resilient they are with their approach to school and learning; even though some of them have been out of the school routine for nearly 6 months. They have all adapted to changes in routine, followed new expectations for behaviour and enjoyed catching up with their friends and schhol staff; most importantly they all have huge smiles on their faces.

“I felt nervous because I didn’t know if school would be the same...I feel reassured now, ” said Amelie.

“I’m really excited and glad to be back ready for learning,” reported Poppy.

“I know how to stay safe in school with the five point rule,” said Jake Horseman.

“I am really looking forward to learning, especially in science,” said Ben Cross.

“It is exciting to see my friends and learn new things and I am looking forward to art,” said Jacob JB.

“I’m having a really fun day,” said Noah P.

“I’ve already made a new friend,” said Spencer.

Our newest teachers, Miss Kapp and Miss Morton, have been working with us in school since late last term to prepare for a super start to this term. We are delighted to welcome old neighbours and new members to the staff team, with the opening of our nursery class next week; they are Mrs Cross, Mrs Lazarus, Mrs Kaur and Mrs Wise.

[Here](#) is the link to guidance sent about how we are opening our school within the DfE guidelines. Please remember that it is important to adhere to your child’s arrival and departure time; we have been as flexible as possible by trialling siblings arriving together and we were reassured this morning that we can maintain this, since everyone was so flexible and helpful in making this work.

[Here](#) is a letter from OCC that we have been asked to send to all parents and carers.

Dates for your  
diary

## Updates and Reminders

Please be aware that we have children in school with serious food allergies. To ensure the safety of all of our children please avoid sending your child to school with anything that contains nuts.

Martial arts will resume in the hall next week with Jake; he will advise parents of the changes to drop off and pick up arrangements that are necessary for these classes to go ahead.
