Launton C of E School Newsletter

Message from Friends of Launton School

Lolly Friday in the playground at
3.15pm this Friday

A weekly update to Parents, Grandparents and Carers

Message from Mrs. Paterson

The children were a credit to parents and teachers on Tuesday when we were fortunate to be able to share the work we are doing, with an Ofsted inspector and representative of Her Majesty's Inspectorate for Schools. We are eagerly awaiting his report and look forward to sharing this with you in a very short time.

National sports week begins on 25th June and we have an action- packed week of sports themed activities planned, including martial arts, golf, orienteering and a Theme Day on Wednesday 27th June. The children have already started logging their activities in their Launton 1918 Active Diaries. Follow the links for more information.

There will be a meeting to provide an update on progress towards the opening of a new secondary school on the Kingsmere development. It will be of particular interest to parents of year 5 pupils but parents of pupils of all year groups are welcome to attend. The meeting will take place at St Edburgs CE Primary School on the Kingsmere development on Wednesday 27th June from 6pm to 7pm. Representatives from the County Council and The White Horse Federation as sponsor of the school will be in attendance.

Thank you for all the donated bags of clothes. We raised an impressive £57 for the school field project, and hope to run this fundraiser again in the Autumn.

Well done the Lolly Friday team! We made another £50 last week and will be back in the playground this week with more lollies.

Our grant strategy continues to yield excellent rewards. We have been awarded £1,000 by the SPARK Grant Group. This means that the school can facilitate community events as we can now procure adult chairs, cutlery etc. and you may not need to sit on chairs designed for our reception pupils when you watch nativity plays. Thank you very much to our grant gurus Cathy Spinage and Andrea Williams for their hard work applying for this grant.

Dates for your diary

Updates and Reminders

Currently we are experiencing a very high demand for Breakfast and Afterschool Care. Please can you ensure that children are being booked in on the system and if you have missed the deadline please call the office and we will check to see if there is space.

We would appreciate if you have booked a space at either the Breakfast Club or Afterschool Care and you no longer need it, that you contact the office 24hours in advance to advise us that this is the case. This will allow us to credit your account and open the space up to another child. We know this is not always possible if this is due to the child being unwell. In the case of a child being off unwell you will always be credited for the unattended session.

New Club starting 4th July - [Combined Karate](#)

Please continue to encourage people to vote for our field project on the Calor website information and link below.
