

Homework Term 3 2026

Beech Class

Please read, practise given spellings and complete some maths homework each week.

Activities related to other areas of learning are on the back of this sheet. Use the ideas and activities in this topic grid as starting points for conversations or investigations at home. Please do share any discoveries you make. Topic related news is always welcome in the classroom.

Please bring your homework folder to school each Thursday.

Your teacher will be happy to discuss your homework with you, should you or your parents have any queries.

Reading	Maths	Spelling
<p>Keep a record of all the reading you are doing at home in your Reading Diary. Please make sure you bring your diary into school every day, as we will also record the reading you do whilst in school.</p> <p>Aim to read at home at least 5 times a week.</p>	<p>Try to spend some time each week practising recalling multiplication and division facts using <i>Times Table RockStars</i>. Multiplication booklets will be sent home fortnightly, as an alternative to completing maths homework online, or to be used in addition to the website.</p> <p>You should be familiar with multiplication facts for the 4 and 8 times table. How rapidly can you recall these?</p> <p>If you have already completed diamond level on Numbots - Well Done!</p> <p>If not, keep using this website to improve your number fluency.</p>	<p>A copy of the spellings that we are learning at school will be sent home in red folders each Friday.</p> <p>Check to see if you can spell all of these words. Practise those you are less sure of.</p> <p>If at any point you feel overwhelmed, choose a just a few of the words to practise until you know those really well.</p>

History - Roman Britain

Hadrian's wall of facts

Have you heard of Hadrian's wall? Instead of a wall to mark the northern most edge of an empire, in our classroom we are going to build 'Hadrian's wall of facts.'

Can you help build the wall higher by finding out any interesting facts about the Romans. Make sure your facts are from reliable sources - What historical evidence is there to support them?

Art

Draw or paint a picture with the title *Children's games*

We have begun learning about the artist Pieter Bruegel the Elder. Some of Bruegel's pictures are full of people going about their daily lives so these paintings can give us lots of clues about the past. His picture *Children's games* shows us some of the games children liked to play over 450 years ago.

What would a 2026 version of this picture include?

History/DT

Make a pair of Roman sandals

Roman soldiers had an allowance of three pairs of caligae per year. Can you design and make your own pair of caligae - or sandals? Would you be able to march 30 miles a day in them?!

Bring your creations into school (or email a photograph) to share with the class.

PSHE

What are your hobbies and interests?

Do you belong to any clubs? Do any sports? Have any projects you are working on at home? What is it that you choose to do during your free time?

Everybody will have the opportunity to share one of their hobbies or interests with the class this term. We would really like to know more about you - and the things you like to do. Be sure to practise your talk and perhaps make a few notes about what you are going to say. You are welcome to bring in props such as uniforms, equipment, photos or examples of things you like to make to show during your talk.
